

Financial resources that can provide support for various wildland fire mitigation action items include various State and Federal grants administered through Idaho Department of Lands, the Bureau of Land Management, the Natural Resource Conservation Service, and the Federal Emergency Management Agency.

Hazardous fuels reduction grants for Power County can be combined from developments in the county and applied for through Idaho Department of Lands. Grant administration costs should be included into countywide grant requests.

Power County VFDs grant application is through the BLM program for VFD assistance and the FEMA grant program, grant application from county wide priorities should assist the Power County VFD as grant recipients.

Numerous technical resources are available for wildfire mitigation. Internet home pages of Idaho Department of Lands, the U.S. Forest Service, the Bureau of Land Management, and NFPA can be accessed for additional information.
